2015 Foundation Report

About Us

The Foundation proudly supports the Health Centre in its mission of caring for seniors and veterans.

The Perley Rideau is an important Ottawa institution. Since 1897, it has been at the forefront of providing care and housing for seniors, including veterans. The Perley Rideau Foundation secures funds to contribute to the well-being of residents through the purchase of much needed equipment and program enhancement. From the purchase of essential equipment like Hi-Lo beds to group classes in the art studios and everything in between -- your donations matter and the Foundation makes every donation count for those who call the Perley Rideau home.

Already home to 250 Canadian war veterans and 200 seniors, the Perley Rideau also provides respite care and convalescent care. In addition, independent and assisted living is provided in the surrounding community and in our two apartment buildings accommodating up to 225 seniors. The Perley Rideau is now the largest provider of senior care on one campus in Ottawa, and one of the largest in Canada.

We are pleased to report that in 2015 the Foundation was able to, as result of tremendous donor support, provide more than \$435K towards priority needs and \$324K towards the Capital Campaign. Donors like you make it all happen.

Board of Directors

The Foundation is governed by an independent volunteer Board of Directors. Our dedicated Board members bring rich experience from business, government, health and Canadian Armed Forces backgrounds.

“No words can adequately describe how I feel about the staff at the Perley Rideau. Every single one, from the cleaners to the Personal Support Workers (PSWs), nurses, doctors, recreation staff and administrators, are all excellent. I'm so grateful for this place, you have no idea.”

2016 THE YEAR AHEAD

- Continue to address the priority needs of residents, by purchasing much-needed equipment and delivering programs that make every day living more comfortable for seniors, including veterans.
- Secure funds for an updated Nurse Call System. The cost of replacement is crippling, but the need is urgent and must be implemented in 2016. The new system will dramatically improve speed and efficiency in staff response to residents.
- Wrap-up the *Building Choices, Enriching Lives* Capital Campaign. Donors have and will continue to make a tremendous difference in the lives of seniors. Thank you.

All giving is very important and most of all it matters!

The Perley Rideau Tree of Life is a symbol of caring and gratefulness.
