# ABOUT US

## THE PERLEY AND RIDEAU VETERANS' HEALTH CENTRE FOUNDATION

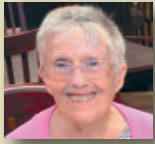

The Foundation proudly supports The Perley and Rideau Veterans' Health Centre and shares its values of compassion and excellence in seniors care.

The Perley and Rideau Veterans' Health Centre is one of the largest not-for-profit long-term care centres in Ontario. It has expanded its services to create the Perley Rideau Seniors Village that includes 139 specially-designed apartments, Assisted Living Services for those in need at home and in the new apartments, respite care to help caregivers of family members with dementia, convalescent care, and various on-site health-oriented services.

Since it was established in 1988, the Foundation has raised over \$20 million. Funds were used to construct the original Perley Rideau buildings in the early 1990s and the Guest House in 2004-06. The Foundation continues to contribute to the purchase of equipment such as specialized bathtubs and lifts, improve the grounds, and support recreation and creative arts activities at the Health Centre.

In 2012, the Foundation embarked on a \$5 million *Building Choices, Enriching Lives* Capital Campaign to raise funds for two seniors apartment buildings and associated amenities. The apartments allow veterans and seniors to stay independent for as long as possible, often close to a loved one in the Long-term Care Centre. Assisted Living Services are available for seniors in need and we offer special accommodation for those with early- to mid-stage dementia.

The Foundation is governed by an independent volunteer Board of Directors. Our dedicated Board members bring rich experience from business, government, health, and Canadian Armed Forces backgrounds.

# THE IMPACT OF YOUR GIVING

At the Perley Rideau Foundation, we experience the generosity of our community on a daily basis. Thanks to donors, we are able to support The Perley and Rideau Veterans' Health Centre with funding for essential items and other initiatives that enhance the care and enrich the lives of those who call Perley Rideau home.

## Breakdown of the \$915,524 donations transferred to the Health Centre in 2013

**\$130,000** for programs including recreation and creative arts that encourage participation in a stimulating environment for our long-term care residents

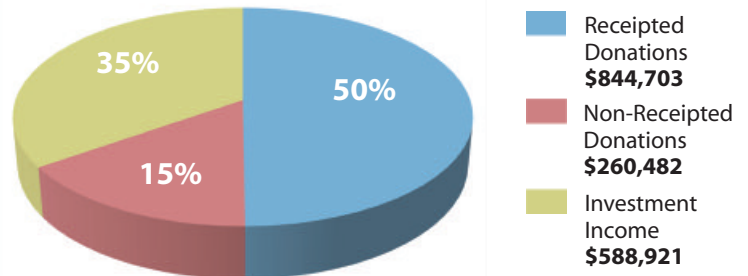

**\$185,699** for essential equipment and furnishings such as special bath-tubs, shower units, and social areas where families and friends can meet with residents. It is also an attractive place for staff to confer with residents

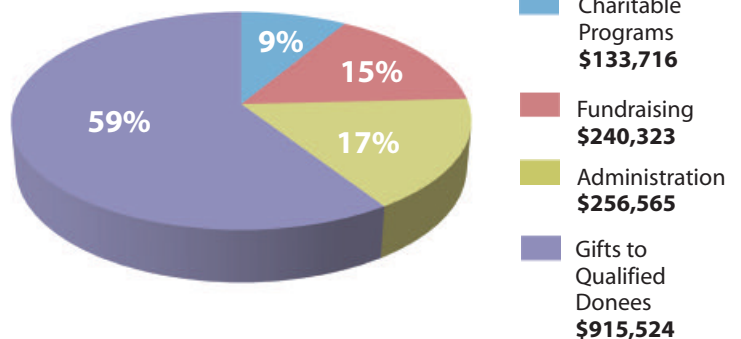

**\$599,825** for the Perley Rideau Seniors Village Housing Initiative – 139 specially-designed seniors' apartments offer safe and secure living and support programs and services to fulfill most needs, including nutrition, safety, companionship and opportunities for social activities and learning

## Financial Highlights

### Revenue – \$1,694,106

### Expenses – \$1,546,129

## THE YEAR AHEAD

Our major priority in 2014 will continue to be the \$5 million *Building Choices, Enriching Lives* Capital Campaign that seeks donations from both major contributors and the general public. We are planning to celebrate the completion of the construction of the apartments and expanded areas for amenities. This is an important milestone for The Perley and Rideau Veterans' Health Centre.

The Foundation will continue to raise funds to purchase essential equipment like pressure relief mattresses and support programs and activities to ensure the best ongoing resident care in our long-term care setting. All giving is very important and most appreciated.

# Thank You - Merci
