## About Us

The Foundation proudly supports The Perley and Rideau Veterans' Health Centre and shares its values of compassion and excellence in senior's care.

The Perley Rideau is an important Ottawa institution. Since 1897 it has been at the forefront of providing care and housing for seniors, including veterans. The Foundation is the fundraising arm of the Perley Rideau and seeks funds to contribute to the well-being of residents through the purchase of much needed equipment and program enhancement. From the purchase of essential equipment like specialized mattresses to an afternoon of musical entertainment and everything in between -- your donations matter and the Foundation makes every donation count for those that call the Perley Rideau home.

The Perley Rideau is fast becoming a hub for seniors' care and housing in Ottawa. Already home to 250 Canadian war veterans and 200 seniors and a 12 bed guest house providing respite care, in 2013 the Perley Rideau completed work on two new seniors' apartment buildings accommodating another 225 seniors. The Perley Rideau is now the largest institution in Ottawa caring for seniors, and one of the largest in Canada.

This success and growth comes with a price. The Foundation is very busy raising funds for our \$5 million **Building Choices, Enriching Lives** Capital Campaign. We are pleased to report that in 2014 the Foundation was able to, as result of tremendous donor support, provide over \$300K towards priority needs and over \$948K towards the Capital Campaign. Donors like you make it all happen.

## Testimonials

*"My parents recently moved into the new seniors apartments. They are both in their late eighties and are determined to remain as independent as long as possible, the services and care they are provided with allows them to do that in a health and safe manner. As their children, we feel such a sense of relief and happiness knowing that our parents are in a safe, friendly and caring environment."*

**Jill Ronan**

*"Since moving into the Long-Term Care home at Perley Rideau, my health has improved 10,000 per cent. At the retirement home where I lived before, they always thought that I needed a lift to get in and out of the bed, I only walked once a week and I couldn't even see faces. Here, I get in and out of bed by myself, my health has improved I don't need anyone to lift me. Now I walk five times per week and I walk twice as far. My vision has improved and now I can see faces. I feel better about myself."*

**Bill Iler**

# Thank you for your continuing support

To date \$3 million has been pledged or received towards the \$5 million *Building Choices, Enriching Lives* Capital Campaign. We welcome the opportunity to tell you more about how you can take part in supporting the Perley Rideau. Please help us get to the finish line.

Many donor naming opportunities exist in conjunction with the Campaign, including the naming of Building B along Russell Road.

Building A was named in honour of Commissionaires Ottawa, which donated \$1 million to The Perley and Rideau Veterans' Health Centre Foundation.
