The Perley and Rideau
Veterans' Health Centre Foundation
La Fondation du Centre de santé
Perley et Rideau pour anciens combattants

About Us

The Perley and Rideau Veterans' Health Centre is one of Ontario's largest, most innovative and progressive long-term care homes. The Foundation provides donors every opportunity to support residents enjoy healthy, fulfilling and dignified lives. Here, Veterans enjoy dedicated access to not only 450 long-term care beds, but also to 139 independent-living apartments and a remarkable range of therapies and services.

Tremendous donor support during 2019 enabled the Foundation to disburse over \$996,927 to the Health Centre. Along with the purchase of equipment essential to top-quality care, donations supported the therapeutic recreation and creative arts, and specialized training for staff. Donations also paid for the renovation of outdated tub and shower rooms.

Innovation has spurred the evolution of the Perley Rideau throughout its existence, improving quality of care and delivering great value to the community.

Donations to the Foundation support this ongoing evolution, including the establishment of the Centre of Excellence in Frailty-Informed Care. The Centre of Excellence conducts and disseminates the practical research needed to properly care for Canada's rapidly growing population of frail seniors.

Although fully independent and led by its own Board of Directors, the Foundation works closely with the Health Centre. In 2013, this collaboration enabled the construction of the apartments and the realization of the Seniors Village concept. Today, residents and tenants enjoy ready access to the supports they need to live independently for as long as possible—a central tenet of Ontario's strategy to improve healthcare and end so-called hallway medicine. Thanks to the faithful and generous support of donors, the Foundation will continue to work closely with the Health Centre as it seeks to steadily increase its contribution to the community.

Donors like you make it all happen. Thank you!

Your Giving Matters!

The foundation disbursed \$996,927 to the Health Centre in 2019

Generosity in the face of a Global Pandemic

A special thank you to many donors who supported our frontline workers caught in the fight against COVID-19. From personal protective equipment (PPE) like masks, face shields to hand sanitizer, staff needed more tools to win this battle and keep seniors and Veterans safe. The Foundation was proud to support the efforts of the Centre of Excellence at Perley Rideau to study new technology to decontaminate and sanitize medical face masks

Your donation is already hard at work to provide seniors and Veterans the ability to live life to the fullest. Thank you.
