The Perley and Rideau
Veterans' Health Centre Foundation
La Fondation du Centre de santé
Perley et Rideau pour anciens combattants

About Us

The Perley and Rideau Veterans' Health Centre is one of Ontario's largest, most innovative and progressive long-term care homes. Here, Veterans enjoy priority access to not only 450 long-term care beds, but also to 139 independent-living apartments and a remarkable range of therapies and services. Innovation has spurred the evolution of the Perley Rideau throughout its existence, improving quality of care and delivering great value to the community.

The Perley Rideau Foundation is a fully independent, registered charity that raises funds to help the Health Centre provide seniors and Veterans every opportunity to enjoy healthy, fulfilling and dignified lives. Tremendous donor support during 2018 enabled the Foundation to disburse more than \$1 million to the Health Centre. Along with the purchase of equipment essential to top-quality care, your donations supported the horticultural therapy program, therapeutic recreation and creative arts, and specialized training for staff and volunteers. Donations also were earmarked for the renovation of the tub and shower rooms.

Donations to the Foundation also support the Health Centre's ongoing evolution, such as the establishment of the Interprofessional Clinic at Perley Rideau. Along with providing residents, tenants and members of the community a wide range of adult and pediatric treatments and services, the Clinic is also a state-of-the-art learning facility and research hub.

Although fully independent and led by its own Board of Directors, the Foundation works closely with the Health Centre. In 2013, this collaboration enabled the construction of the independent apartments and the realization of the Seniors Village concept. Today, residents and tenants enjoy ready access to the supports they need to live independently for as long as possible—a central tenet of Ontario's strategy to improve healthcare and end hallway medicine. Thanks to the faithful and generous support of donors, the Foundation will continue to work closely with the Health Centre as it seeks to steadily increase its contribution to the community.

Donors like you make it all happen. Thank you!

The Foundation maintains an investment account that is crucial to the Perley Rideau's ability to innovate, evolve and better meet the needs of seniors and Veterans. The investment account enabled the construction of the Seniors Village and the planning for Canada's first Centre of Excellence in Frailty-Informed Care. Perley Rideau plans to remain true to its longstanding commitment to research and learning, and will deliver even greater value to the healthcare system through the development of the Centre of Excellence. To meet the future needs of the Health Centre, the Foundation transferred \$1,914,834 to its investment account in 2018.

2019 THE YEAR AHEAD

- Continue to address priority needs and make everyday living more comfortable for seniors and Veterans.
- Build Foundation capacity to respond to the needs of the Health Centre, including the Seniors Village expansion and the Centre of Excellence in Frailty-Informed Care.
- Finalize a new five year Strategic Plan 2019–2024.

All giving is very important and most of all, *it matters!*
