Honour and Care

The Perley and Rideau Veterans' Health Centre Foundation ♦ OTTAWA, ONTARIO

Tree of Life

The Perley Rideau's Tree of Life continues to grow and we are grateful to the families who choose to pay tribute to their loved ones and the care received at the Perley Rideau in this meaningful way.

◀ In honour of their parents — Muriel and James Boon — Mr. and Mrs. Frances Boon placed a Silver Leaf, donated by Doris Holden.

Members of the Silverman family donated a Silver Leaf in honour of father and grandfather James Silverman. ▶

◀ The Ronan family donated a Gold Leaf in honour of father and grandfather Tom Ronan.

The Perley and Rideau Veterans' Health Centre is home of 450 residents, including 250 Canadian Veterans, most of whom served in either the Second World War or the Korean War. The Government of Canada provides additional funding for the care of Veterans, but donations to the Perley Rideau Foundation improve their quality of life in direct and significant ways. In May 2017, Veterans Affairs Canada, the province of Ontario, and the Perley and Rideau Veterans' Health Centre celebrated the announcement of 25 Specialized Veterans beds for Veterans who served in Canada for a minimum of 365 days and are income qualified, as well as to Canadian Armed Forces and Allied Veterans.
